

PROJECT DESCRIPTION

Ethical Leadership

This project addresses the importance of recognizing the effect of decisions that impact ethics, best practices for making ethical decisions and developing an ethical framework.

Purpose: The purpose of this project is to develop a clear understanding of your own ethical framework and create an opportunity for others to hear about and discuss ethics in your organization or community.

Overview: Define an ethical framework for yourself. To do this, you may need to complete personal research beyond the contents of this project. Then, organize and moderate a 20- to 40-minute panel discussion about ethics, followed by a question-and-answer session. If you have never facilitated a panel discussion, review the “Moderate a Panel Discussion” elective project.

This project includes:

- The Ethical Framework resource
- Organizing and moderating a panel discussion as well as a question-and-answer session
