**EVENTS**

**Summer feels already so far away...**

...some of our best memories

**Rhetoric in the Egyptian age of Division A**

A great initiative from our pharaohs in Lutèce, Eiffelturm et Versailles clubs (large Paris area). Outdoor themed events are so fun and good to create a family spirit among clubs. Congrats for such an event!

**Sport, picnic and public speaking in Marseille**

On the 27<sup>th</sup> of September, a group of Toastmasters in Division F gathers along the Marseille beach and a picnic afterward. A blood donation initiative members have a heart in addition to a mouth 😊

**Promoting Toastmasters locally in Marne-la-Vallée (East of Paris)**

Toastmasters Marne-la-Vallée is a young small club (only 16 subscribers so far), but this year we'd like to boost our presence and recruit new, motivated members. In order to do that, on September the 7th, we took part to the "Forum des associations" in our town, Bussy St Georges.

As a result, on our first meeting (after summer break), we had 18 people attending: 6 members and 12 guests!!! Big success for us, we hope most of them will subscribe to the club.
