

## EVENTS

• **Team building and outdoor events for Amsterdam Toastmasters club**

July 21: A wonderful team-building afternoon in the Vondelpark by the executive committee, with dinner at ATC's well-known location.

August 31: Public Speaking in the Wild" meeting was a great opportunity to practice skills outside the regular setup.

• **Open evening in the Netherlands**

Deventer Toastmasters Club has an open evening on the 7th of October 2019, where they welcome guests and people who are interested in Toastmaster activities.

• **Het Sprekersgilde Summer Party in Amsterdam**

**We love to see those great initiatives in our District 59!! Thank you all for organizing!**

We have some great leaders, and it's thanks to you if District 59 is so successful. :D Looking forward the next events ... make sure to share your stories with [pmm@district59.org](mailto:pmm@district59.org) to appear in our next newsletters. ☺

• **Webinar: Easy and pretty e-mail campaigns with mailchimp**

27/10/2019, 1h duration, online

Hosted by Marie Dubost

Do you wish you could send pretty newsletters to your Club Members / Area Council / Division, with pictures and links? Would you like to know how well your latest newsletter was received by its recipients?

In this webinar, we will discuss the use of e-mail marketing solutions for your club's mailing list, specifically:

- E-mail lists, how to collect them", and how to segment them
- How to make pretty HTML e-mail templates, using mailchimp's drag-and-drop template editor
- Launching an engaging e-mail campaign and monitoring its effectiveness

Registration [here](#)

• **From Speaker to Trainer Workshop**

27/10/2019, 10am, Brussels – Belgium

In this program you will learn:

- The five steps involved in preparing and presenting a training program using adult learning principles.
- The role of trainers and the differences between public speaking and training
- How to make the learning experience enjoyable by participating in-group exercises in which you will: determine objectives, create a lesson plan, choose training methods, facilitate discussions, and evaluate your training.
